

All pattern pieces are templates. Transfer to freezer paper and iron onto doubled craft felt. Seams for wings, feet and bill are on the outside.

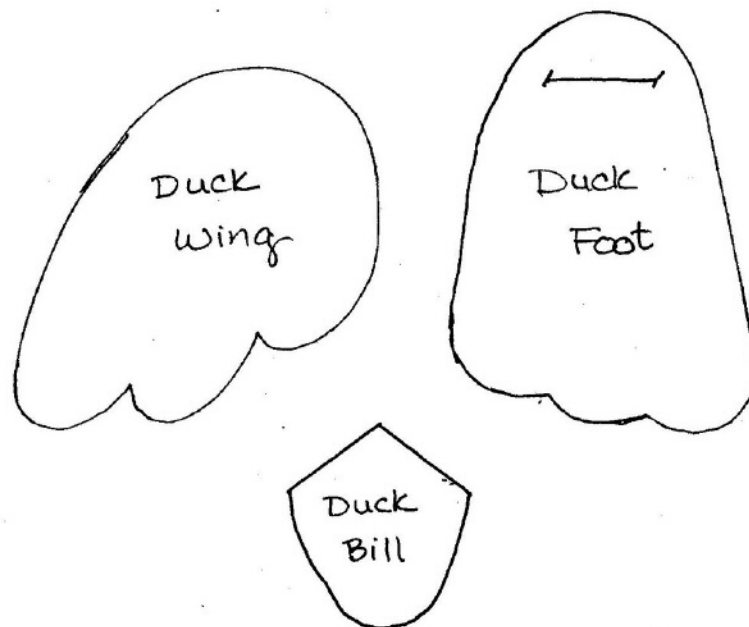

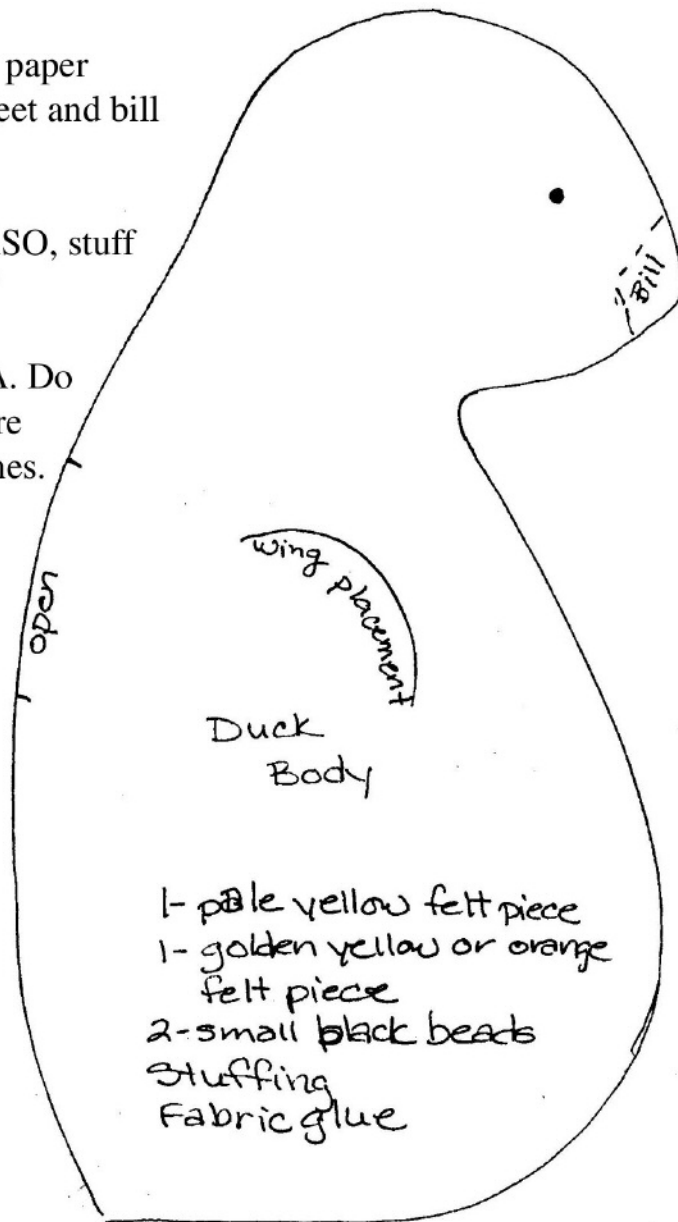

Body - Stitch leaving open where indicated. Turn RSO, stuff firmly. Ladder stitch opening closed.

Wings - Stitch around and cut out leaving a 1/8" SA. Do not turn. Apply glue to top edge. Glue to body where indicated. You may wish to anchor with a few stitches.

Bill - Stitch curved edge only and cut out leaving a 1/8" SA. Stuff lightly. Apply glue to straight edges of bill. Glue to head with points of bill lining up with seams on body top and bottom.

Feet - Stitch around. Slash top side only and stuff lightly. Apply glue to back edge of top foot and glue to bottom of body with feet angled outward slightly.

Eyes - Stitch two small black beads to head where shown, stitching back and forth and pulling on thread to indent slightly.

Hello Ducky!
